We the staff of the Golden Warrior dedicate this annual yearbook in memory of Mrs. Lona Bryson for her years of loyalty to Sanger High School, and to her unfailing interest and understanding of the student body.

# *A Time for Us...*

*to compete against others*

Because of their enthusiastic loyalty to our school and community, and because they have consistently upheld the principles of good sportsmanship, the members of the annual staff would like to dedicate the 1974-75 Golden Warrior to the football players of the Sanger Schools and to their coaches.

*to honor our school*

*to show good sportsmanship*

P. O. BOX 68 • SANGER, TEXAS 76366

Probably the greatest compliment anyone can receive is when someone says something nice about your children.

If that's the case, then Sanger people received a great compliment the other night from Fritz Von Eric. He told the ringside announcer on Channel 11, Saturday Night Wrestling, that he used to think the most polite kids were in Muenster until he had occasion to attend a basket-

ball tournament in Sanger and now he had decided that the most polite kids are in Sanger.

Now when a sports personality like Mr. Adkisson (Fritz Von Eric) who travels to many area towns makes a comment like that about our children, we have a right to be proud.

Thank you Mr. Adkisson and thank you, kids of Sanger for projecting such a good image.

## *Superintendent's Message*

I would like to express my appreciation to both students and faculty for making the 1974-75 school year a most enjoyable experience. It has been through your attitudes of willingness, understanding, and cooperation that progress in every part of our school can be seen. I sincerely hope that we will have many years together to work toward the goal of making the Sanger Schools the very best place possible to educate our community's young people. This goal can be achieved only through the complete united effort of students, faculty, and community. I have great confidence and faith in all of you. I pledge myself and the personnel of the Sanger Schools in seeing that the best education possible is provided for all Sanger students.

Sincerely,  
Emmett R. Baker

## *Board of Trustees*

Mrs. Glenna Krueger, Secretary; Mr. Jesse Coffey, President; Mr. Les Harberson; Mr. O. W. Davis, Jr., Vice-Pres.; Mr. Emmett Baker, Superintendent; and Mr. Bobby Ready.

## Principal's Message

The 1974-75 school year has been an extremely eventful school year. I feel very fortunate to be a part of a community such as Sanger and to have the opportunity to work with such a fine high school group. Together, we have found that to be successful in any endeavor, cooperation must exist. This spirit of cooperation has been apparent throughout the year with this cooperative attitude on the part of both students and faculty, nothing is impossible. I feel that this year has been the beginning of a successful journey that can be shared for many years to come.

Sincerely,  
James D. McDaniel
